

TEXT ANNOUNCEMENT ICMC SESSION IN ESC GHENT

The symposium organized by the International Consortium for Male Contraception, will be held on May 27, 2022*, during the Congress of the European Society of Contraception in Ghent, Belgium. Top class International speakers will present the latest information on the research in this field. We expect the session to share the latest results on ongoing research and foster advocacy for research on male contraception in order to meet the unmet need of male-driven methods of family planning.

* Friday 27 May 2022 from 14:00 to 15:30. Room Rysselberghezaal (350 p).
